MABTR NEEDS

PETLESS FOSTER HOMES

Are you someone who would love to have a Boston Terrier but cannot commit to caring for one for their entire life right now? Do you want a way to get a short term Boston Terrier fix?

Sometimes we rescue amazing pups who do best in homes without another pet. We are growing and need more families who can foster these pups until they find their forever home.

If you do not currently have a pet but can foster please connect with us at adoptaboston.com or 402-510-1346

A Foster Dog Poem

by Diane Morgan

I am the bridge
Between what was and what can be.
I am the pathway to a new life.

I am made of mush,
Because my heart melted when I saw you,
Matted and sore, limping, depressed,
Lonely, unwanted, afraid to love.

For one little time you are mine.
I will feed you with my own hand
I will love you with my whole heart
I will make you whole.
I am made of steel.

Because when the time comes,
When you are well, and sleek,
When your eyes shine,
And your tail wags with joy
Then comes the hard part.

I will let you go -- not without a tear,
But without a regret.
For you are safe forever—
A new dog needs me now.

HOW TO HAVE A PET-SAFE THANKSGIVING

- FOOD SAFETY**
Thanksgiving food rocks, but it's not always great for pets. These are some foods that make dangerous treats.
 - TURKEY BONES
 - CHOCOLATE
 - ONIONS & GARLIC
 - ALCOHOL
- GUARD THE TRASH**
The trash smells tasty when it's full of turkey gristle, but make sure they don't sample!
- CHECK I.D.**
Holiday stress can make pets run away. Be safe and make sure they are tagged.
- GIVE 'EM A GETAWAY**
A full house might stress your pets out, so set a room aside for them to be alone.
- GOT TOYS?**
Take their mind off the bird with a chew toy or some catnip.

Got Travel Plans for the holidays?

MABTR covers 13 states. 75% of our adoptions occur between foster homes and adopters in different states, requiring MABTR to set up a

transport by car.

- Many of us travel for business or pleasure by car so we ask that you share with us your travel plan should you have room for a Boston to hitch a ride.

Share with us your travel plans - even those scheduled in the future.

It is simple. **CLICK HERE to share your travel plans with us.** We will file the travel schedule shared and if the need approaches we will contact you with details.

The doggies thank you for allowing them to hitch a ride!!!! Without drivers we would struggle moving our dogs closer to their forever homes.

Remember that you can write off at tax time your gas or mileage when transporting our Bostons.

MABTR Alumni - Riley

Riley was a 16 month old puppy mill survivor when we rescued him. (Thanks Denny & Ron for being such fabulous fosters!) When he arrived, he was a little on the thin side, learning to play, working on potty training and skittish and fearful on walks. Today, he is a happy go lucky 2-year old....living the life of Riley! Literally!!

He's cute, funny, playful & affectionate. He LOVES squeaky toys, going to the "small" dog park, car rides, hanging out with us, sleeping in bed, food and treats! Did I say treats?! Weather permitting; we take several walks a day. He struts around the neighborhood looking forward to encounters with his many doggy friends including Pearl, another MABTR alumnus and her human sisters, Dakota & Denali. His

best buddy is Lefty, a little Bischon/Poodle mix. The two of them are like rough and tumble 2-year olds when they get together. It's hilarious!

He doesn't like us to leave him (and we don't very often!) but he's never destructive and is always happy when we return whether it's 30 minutes or three hours. He has a gnarly, chewed and sucked on stuffed chipmunk named Chippy that he totes to bed with him every night and then down the stairs every morning after breakfast. It's sweet & endearing!

We hesitated rescuing a young, untrained and unsocialized puppy mill survivor so quickly after losing our previous rescue, Baylee. But thanks to encouragement and reassurance from Denny, we are really glad we did! He didn't replace Baylee by any means, but we love him just as much! He has added so much joy to a really stressful, difficult year. We are thankful every day that he's a part of our lives and to the many volunteers and kind hearts at MABTR that made it possible. -- Julie M.
